INSTRUCTIONS FOR ORDERING

PRICES: Kindly note carefully the prices per 100 and per 1000 are opposite each variety. The following rates apply *when less than 25* of a variety is ordered.

Rate per 100	Rate per 10	Rate per 5	Rate per 1
\$ 4.00	\$.60	\$.40	\$.10
6.00	1.00	.60	.15
8.00	1.50	1.00	.25
12.00	2.00	1.50	.40

If your order totals 1,000 or more and you have ordered at least 25 or in multiples of 25 of each variety you may take the 1,000 rate. **SPECIAL ATTENTION!** If your order is 100 each of five or more varieties you may also take the 1,000 rates.

TERMS: 2% 10 days, 30 days net. Cash to all customers without established credit—at least 50% of the amount must be enclosed with your order if you want us to send it C.O.D. This part payment is necessary because of the perishable nature of the cuttings. If the shipment is refused for any reason it is usually a total loss.

DISCOUNTS: 5% Discount for all **CASH WITH ORDER** orders.

DELIVERY: Last season we advised Express shipments as shipment is automatically insured, but many shipments were so slow there was much dissatisfaction among our customers. Parcel Post made much more prompt delivery. We will be glad to ship either way you wish. To estimate parcel post charges, the weight of cuttings is usually about 5 lbs. per 100 cuttings. You can find the zone and cost from your mail order catalogue. All shipments F.O.B. Geneva, N. Y. If you want P. P. packages insured, consult your postmaster for charges.

CLAIMS FOR DAMAGE: If plants are damaged upon arrival, notify your Express Agent or Post Master immediately. Inasmuch as we have no control over the transportation agencies, we cannot be responsible for injured or delayed deliveries, etc. All claims for damages must be assumed and entered against the carrier by the buyer. Our packing is all done by men of experience who have done it for years and any trouble must be settled with the carrier. However, we will do all we can to assist you.

NO GUARANTEE: While we use every possible care to have all varieties properly labeled and true to name, we give no warranty expressed or implied, also we cannot guarantee a crop as growing depends entirely upon the grower.

CANCELLATION: Must reach our office before shipment has been made. However, if all or any part of your order has been shipped, we can cancel the **UNSHIPPED PORTION** only.

CARE OF CUTTINGS WHEN RECEIVED: We pack rather dry purposely to avoid rot. If your cuttings seem wilty remove wrappers and dip them tops and all in cool water and set the roots loosely in a flat of damp moss for a few hours, or over night, out of doors in the shade or under a cool bench where the wind does not blow on them. If you do this you will find they will revive 100% and then they are ready to pot or transplant. **NEVER POT A WILTY PLANT.** You may need to shade some according to the weather. A little wilting after potting will not harm and a light syringing occasionally will help very much. If cuttings are crisp the morning after 24 hours from potting this shows they are taking water and your danger from shipping is over.

Orders accepted will be subject to the above terms.
